EDUCATION AND TRAINING

09/2020 – 09/2026 Debrecen, Hungary

Medical Doctor University of Debrecen

Website <https://www.edu.unideb.hu> | Field of study Medicine | Level in EQF EQF level 7

09/2017 – 06/2020

High School Diploma Al Mawakeb School Garhoud

09/2024 – 12/2024

MetaMaster The Meta Analysis Academy

Website <https://lp.metaanalysis.academy/imeng/imgeng-b/>

HONOURS AND AWARDS

03/03/2024 MEDCUP 2024

2nd Place Winner

- Sponsored by the Dean and Vice Dean to represent the University of Debrecen at MEDCUP 2024 in Brussels, Belgium.
- Achieved 2nd place internationally in a two-day event featuring multiple clinical stations that blended theoretical and practical medical skills.
- Engaged in MedTalks and technology showcases, enhancing clinical reasoning, teamwork, and problem-solving abilities.

Link https://youtu.be/2DWyBH80oM8?si=9dAbfq-7Oh_9FezN

02/2025 Students' Scientific Association (TDK) Conference 2025

3rd Place Winner

Achieved 3rd place at the Student Scientific Association (TDK) 2025 for my first-author research project "*The Role of Bone SPECT/CT in Non-Oncological Indications*" in the Orthopedics, Traumatology, and Neurosurgery category.

08/2025 European Society of Cardiology (ESC) Congress 2025 - Madrid

Presenter

Presented a first-author research project, "*A meta-analysis of the hemodynamic and echocardiographic changes following arteriovenous fistula ligation in chronic kidney disease patients,*" highlighting innovative findings in cardiovascular imaging and clinical applications in cardio-nephrology.

Link <https://esc365.escardio.org/person/1337629>

European Association of Nuclear Medicine (EANM) Congress 2025 – Barcelona

Presenter

Presented my first-author project, "*Integrating Whole-Body Bone SPECT and AI-Synthetic CT in Non-Oncologic Disorders,*" emphasizing advancements in hybrid imaging and AI-driven diagnostics.

02/2026 Students' Scientific Association (TDK) Conference 2026

3rd Place Winner

Achieved 3rd place at the Student Scientific Association (TDK) 2026 for my first-author research project "*The Safety and Efficacy of Rituximab in Nephrotic Syndrome*" in the Endocrinology and Nephrology category.

WORK EXPERIENCE

The Lub Dub Club Debrecen, Hungary

Link https://www.instagram.com/lub.dubclub?igsh=MWxha2NnaXpsaWxwYw%3D%3D&utm_source=qr

President and Founder

08/2024 – 09/2026

- Founded and organized weekly cardiology workshops with Vice Dean Prof. Németh Norbert (Head of Basic Surgical Techniques) using the Mentice VIST simulator.
- Led semester-long sessions enhancing students' clinical and procedural skills through simulated cardiology cases.
- Collaborated with specialists to link theoretical knowledge with practical cardiology applications.

Medical Students' Association of Debrecen (DOE) Debrecen, Hungary

Website www.doedebrecen.hu

Local Officer of International Students (LOIS)

09/2025 – 09/2026

- Managed a team focused on international student opportunities under the IFMSA framework, promoting exchanges and global engagement initiatives.
- Led capacity-building events and coordinated expert-led lectures across multiple medical specialties to enhance student skills.

Hospital São João Porto, Portugal

Neonatology / Perinatal Medicine Trainee

07/2026 – 07/2026

One-month IFMSA SCOPE clinical elective at Hospital São João under Dr. Joana Nunes, with exposure to prematurity, neonatal sepsis, NEC and IVH.

Diakonie Klinikum Jung-Stilling Siegen, Germany

General and Visceral Surgery Trainee

11/2025 – 11/2025

Four-week clinical elective under Prof. Dr. Golriz, with exposure to ward-based care, perioperative management, and general/visceral surgical procedures.

Morrison Hospital - NHS Wales Swansea, United Kingdom

Gastroenterology Trainee

09/2025 – 09/2025

Completed a 4-week clinical placement under Dr. Jagadish Nagaraj, observing acute and chronic GI cases and endoscopic procedures.

La Rabta Hospital Tunis, Tunisia

Pulmonology Trainee

08/2025 – 08/2025

Completed a 4-week IFMSA exchange under Dr. Besma Dhahri; practiced practical procedures and report writing; managed neoplasms and tuberculosis cases.

Azienda Ospedaliero Universitaria Policlinico Catania, Italy

Cardiology Trainee

08/2024 – 08/2024

Completed an IFMSA exchange under Prof. Davide Capodanno; participated in electrophysiology studies and ablations for WPW and AVNRT; engaged in multicultural interactions with 50+ students from all over the world.

St George's University Hospital London, United Kingdom

Cardiology Trainee

06/2024 – 07/2024

Completed a 2-week practice under Dr. Faisal Khan where I observed numerous TAVIs, PCIs, ablations, and pacing-clinic sessions.

American Hospital Dubai

Cardiology Trainee

01/2024 – 01/2024

University of Debrecen Debrecen, Hungary

Clinical Trainee

02/2023 – 09/2026

Participated in rotations across cardiology, nephrology, endocrinology, gastroenterology, hematology, neurology, pulmonology, pediatrics, emergency medicine, obstetrics and gynecology, etc.

American Hospital Dubai

Nephrology Trainee

02/2023 – 02/2023

Completed an observership under Dr. Viorica Khalil, focusing on dialysis management and post-TPN care, with active involvement in interpreting laboratory results and patient evaluations.

PROJECTS

• The Role of Bone SPECT/CT in Non-Oncological Indications

- Conducted at the Department of Nuclear Medicine, University of Debrecen.
- Presented locally at TDK 2025 and nationally at the Hevesy György MONT Conference 2025.

• Integrating Whole-Body Bone SPECT and AI-Synthetic

- Conducted at the Department of Nuclear Medicine, University of Debrecen.
- Presented at the European Association of Nuclear Medicine (EANM) Congress 2025 in Barcelona.

Link https://eanm25.eanm.org/wp-content/uploads/2025/09/EANM25_Final_Programme.pdf

• Safety and Efficacy of Rituximab in CKD Patients

- Conducted at the Department of Nephrology, University of Debrecen.
- MD thesis.

• Clinical and Autopsy Findings in Allogeneic Bone Marrow Transplant Recipients

- Conducted at the Department of Pathology, University of Debrecen.
- Presented at TDK 2025.

• A meta-analysis of the hemodynamic and echocardiographic changes following arteriovenous fistula ligation in chronic kidney disease patients

- First Author
- Presented at the European Society of Cardiology (ESC) Congress 2025 in Madrid

Link <https://esc365.escardio.org/person/1337629>

PUBLICATIONS

2026

• [A meta-analysis of the hemodynamic and echocardiographic changes following arteriovenous fistula ligation in chronic kidney disease patients](#)

- First Author Peer-reviewed Published Article
- DOI: 10.1177/11297298261441029

Journal Name The Journal of Vascular Access | Publisher Sage

2026

• [Circular RNAs as Biomarkers and Therapeutic Targets in Diabetic Cardiovascular Complications](#)

- Contributed to the screening, reviewing, refining, and final editing of the manuscript to ensure scientific accuracy and coherence prior to publication.
- DOI: 10.1002/edm2.70149

Journal Name Endocrinology, Diabetes & Metabolism | Publisher Wiley

2025

• [Mitochondrial Dysfunction in Myeloproliferative Neoplasms](#)

- Contributed to the reviewing, refining, and final editing of the manuscript to ensure scientific accuracy and coherence prior to publication.
- DOI: 10.1097/MS9.0000000000003365

Journal Name Annals of Medicine & Surgery | Publisher Walters Kluwer

TEACHING EXPERIENCE

01/02/2025 – 15/06/2025

Meta Analysis Academy Teaching Assistant

Provided personalized feedback and methodological guidance to students throughout the VII cohort. Corrected and reviewed over 120 exercises with a focus on research quality and clarity. Maintained a 5-star overall rating based on student feedback and engagement.

09/2023 – 12/2024

Pathology Teaching Assistant

Assisted Dr. Judit Bedekovics in autopsy classes for third-year medical students for 3 continuous semesters, supported dissections, and maintained lab safety standards.
